

Libyan Authority for Scientific Research
Libyan Society for Scientific Research and Studies

The Libyan International Conference of basic medicine and Biomedical Sciences

A CV – Member of the scientific committee

Name: Abeer Hussein Ayad Amer

Date & Place of Birth: 31/12/1974 Norman- Oklahoma

Nationality: Libyan

Marital status: Married

Faculty: Medicine

University: Benghazi

Department: Histology

Qualification Kind: Ph. D.

Specialization: Histology and Cytogenetics

Qualification Place: University of Nottingham - UK.

Date Qualification obtained: 17 /02 / 2011

Academic Status: Professor

Date of Recruitment: 01/ 01/ 2001

Mobile No.: 00218944554567 - 00218914657570

E. mail: abeer.amer@uob.edu.ly

ORCID: 0000-0002-7311-0177

I- Scientific qualifications gradient:

▪ Scientific degree – Bachelor (B. Sc.):

Holds a bachelor's degree from the Department of Zoology- Faculty of Science - University of Benghazi in (1995-1996).

▪ Master degree (M. Sc.):

Holds a master's degree from the Department of Zoology- Faculty of Science - University of Benghazi in (2001).

▪ Ph. D. degree:

Holds a Ph D. from the University of Nottingham in 2011.

II- Academic status:

Name	Address	Date
Lecturer Assistant	Department of Anatomy and Histology – Faculty of Medicine – University of Benghazi	1/1/2001 – 6/10/2011
Lecturer	Department of Anatomy and Histology – Faculty of Medicine – University of Benghazi	6/10/2011 – 7/10/2014
Assistant Professor	Department of Anatomy and Histology – Faculty of Medicine – University of Benghazi	7/10/2014-7/10/2018
Associated Professor	Department of Anatomy and Histology – Faculty of Medicine – University of Benghazi	7/10/2018 – 7/10/2022
Full Professor	Department of Anatomy and Histology – Faculty of Medicine – University of Benghazi	7/10/2022 - to now
Others professions	Head of Cyotechnology Department, at Faculty of Biomedical Technology, University of Benghazi, Libya	2019-2020
	Head of Study and Examination office, at Faculty of Medicine, University of Benghazi, Libya	2013 - 2018
	Dean of Faculty of Medical Technology /International Salam University/ Benghazi/ Libya	2017-2018
	Head of Histology Department (assigned), at Faculty of Medicine, University of Benghazi, Libya	2017
	Coordinator, for first and second year medical students, University of Benghazi, Medical school, Benghazi, Libya	2012 - 2016

III- Scientific membership (Local – International):

Editor of the Scientific Journal of the University of Benghazi (2018– 2023)

Editor member of the Medical Section of the SJUOB, providing guidelines to authors for preparing and submitting manuscripts. While still protecting the confidentiality of every author's work. Also, contacting the reviewers for each subject. Communicating editorial policies and standards to authors.

Reviewer of scientific manuscripts 2019– Present

Reviewer of scientific manuscripts (Since 2019). With:

- Al-Kitab Journal for Pure science. (Iraq).
- Al-Mukhtar Journal of Sciences. (Libya)
- Journal of Complementary and Alternative Medical Research. (India)
- Journal of science and its applications, Faculty of Science, Benghazi University. (India)
- Scientific Journal of the University of Benghazi. (Libya)
- Scientific Journal for the Faculty of Science-Sirte University. (Libya)
- Journal of Pure & Applied Sciences. Sebha university. (Libya)

Expertise and research area:

1. Mechanism of Action of Liver Growth Induced by Peroxisome Proliferators hepatocarcinogens.
2. Acute and Prolonged Toxicity of Hexavalent Chromium Oxide to Swiss Albino Mice.
3. Histopathological study on the effects of cyclophosphamide on the hepatic tissue of female golden hamsters.

IV- Scientific activity:

a) Papers: (Title – Journal –No. - Vol. – Issues).

Published 28 scientific papers in various scientific journals

b) Books:

c) Conferences - Workshops - Course, Session... etc.:

Presidency and membership of more than 6 conferences, as well as giving or participating in scientific and cultural courses.

d) M. Sc. and Ph. D. Thesis Supervision:

Supervision and discussion of 8 master's theses and 3 doctoral theses

V- Scientific Honors:

- 1- Obtaining the third best scientific research award presented by the University of Benghazi in 2018.

VI- Others:

Teaching many courses for the master's and bachelor's degrees in the faculties of dentistry, pharmacy, public health and biological sciences at the University of Benghazi - Al-Marj University, the University of Ajdabiya, Omar Al-Mukhtar University, the University of Tobruk, the University of Derna, the University of Sirte, Al-Salam International University, the Libyan International University, the College of Medical Technology, and others, from 2001 to 2024. These include: general histology, specialized histology, cell science, medical genetics, general genetics, histological techniques, and others.
